Summary

Data analyst with experience in Python, SQL, Tableau, and Power BI. Skilled in working with AWS services (EC2, S3, IAM) and extracting insights from structured and unstructured data. Currently pursuing an M.Sc. in Computer Science. Willing to relocate. Interested in applying analytical skills in a global context.

Experience

Data Analyst Intern – Unified Mentor (Feb 2025 – Present)

- Studied user reviews to identify drug side effects and related conditions.
- Created dashboards in Tableau and Power BI for visualizing findings.
- Worked with other team members to convert data into reports.
- Applied A/B testing to compare user behaviors.

Education

MIT World Peace University – M.Sc. Computer Science

Smt. Chandibai Himathlal Mansukhani College – B.Sc. Computer Science

Projects

Cloud Infrastructure & Deployment Projects

- **EC2 Deployment:** Deployed a web app on EC2 using Apache.
- **S3 Hosting:** Hosted a static site using Amazon S3.
- **IAM Access Control:** Managed users and permissions in AWS IAM.

Data Analysis & Dashboard Projects

- **Blinkit Sales Dashboard:** Analyzed sales, product trends, and user behavior in Power BI.
- **Black Book Health Data:** Visualized drug ratings and effects using Power BI.
- **User Growth Model:** Simulated advertising impact and user metrics using Python and Tableau.

Skills

Technical Skills: Python, SQL, Tableau, Power BI, TensorFlow, Scikit-learn

Libraries: Pandas, NumPy, Matplotlib, Seaborn, BeautifulSoup

Cloud Platforms: AWS (EC2, S3, IAM), GCP (Compute Engine)

Tools: Jupyter Notebook, Microsoft Excel, Looker, SAS

Soft Skills: Team collaboration, Communication, Problem-solving, Adaptability

Certifications

AWS Cloud Practitioner Essential - Simplilearn

Cloud Computing Fundamentals – IBM Build

Google Data Analytics & AI Essentials – Google

Data Analytics Essentials – Cisco

AI Job Simulation – Cognizant Forage

Complete AI & ML Bootcamp – Udemy

Workshops Certifications

GITEX Dubai 2024 – AI, Blockchain, and Smart City Solutions

AI in Finance (LIBF) – CPD-accredited training at GITEX

Digital Image Processing & Ethical Hacking – Multimedia University (MMU), Cyberjaya
